

Norterra Canyon Art Club

Dear Parents/Guardians

Thank you for taking the time to let your child experience the wonderful world of art! My goal is to help expand your child's love of art through meaningful activities that will also improve their self-esteem and creativity. Many of our projects will be on display for all to see. Being part of a group like this is truly a special experience!

Attached you will find a sheet that will help me get to know your child better. Art Club is not dependent on skill, but effort and the love of art. Participation is based on behavior, if your child cannot show a positive attitude, they will be asked not to return.

Students can come to the art room directly after school on their grade levels designated Art Club Days. I will walk with them out front of the school when Art Club is over @ 4:15. I am attaching the classroom number should something arise and you need to get in contact with myself or your student. There will be times when we are not in the art room, so you may either call the school or your child directly. It is not mandatory to attend to each Art Club. If your child participates in Pirates Cove, I will sign the child in when Art Club is over. Email is the best way to reach me.

This year there will be a \$5.00 fee to join Art Club. This is the first year we have had to do this. I hope this does not deter any of our artists. I am looking forward to a great year with your young artist!
